METHODOLOGY: The numbers on this page are based on contributions of \$200 or more from PACs and individuals to federal candidates and from individual and soft money donors to political parties, as reported to the Federal Election Commission. While election cycles are shown in charts as 1996, 1998, 2000 etc. they actually represent two-year periods. For example, the 2002 election cycle runs from January 1, 2001 to December 31, 2002. **Data for the current election cycle were released by the Federal Election Commission on Monday, January 13, 2003.**
